WELCOME

A very warm welcome is extended to you and your family from the educators and management committee of Federal Community Children's Centre. We aim to create a happy, safe and stimulating environment, which will enable your child to develop skills through play and participation.

Vision Statement: 'We aim to partner with parents and the wider community to provide a service where children can experience diverse social, cultural and educational activities in the context of learning through play'.

We acknowledge the Widjabul Wai bal people as the traditional custodians of the land our preschool is on.

The information in this booklet will provide you with general information about our service, please take time to read it before commencing and keep it as a handy reference throughout the year. If you have any queries or suggestions do not hesitate to talk with the Director.

Enrolment process:

To complete the enrolment process, you will need to provide us with the completed enrolment form, waiting fee payment of \$50 and attend an hour-long orientation interview. We welcome families to prearrange visits so that the transition is made easy for you and your child.

Our bank details are:
Federal Community Children's Centre
Westpac Bank
BSB: 032573
ACC: 295105

HISTORY

Federal Community Children's Centre is in the hinterland of Byron Bay.

Community members established the preschool after the Federal Public School closed in 1979. The premises are the old teacher's residence, which is leased from Byron Shire Council as a community children's facility.

Federal Community Children's Service is a non-profit community-based service funded by the NSW Department of Education and Community Services and Department of Education. It is managed by a Volunteer Management Committee.

We provide Long day care and preschool for children aged 2-5 years of age.

Our Centre is a 35-place service.

In 2014 we created a Bush Tucker garden open to the public and published a booklet on Bushfood for Children of the Northern Rivers. The garden replaced a weed infested acre behind the preschool.

In 2013 we received a rating of exceeding National Standards in the assessment process and are committed to providing quality care and education.

Our Centre relies on fundraising to ensure we are sustainable. We keep our fees as low as possible to ensure all families have equal access to our service.

SERVICE MANAGEMENT

The service is a community-based, not for profit organisation which means all profits go back into the service. We actively consult with parents about service provision and respond to parents' feedback regarding childcare needs.

The children's service is set up as an association of parents which together makes up a legal identity. You are an official member of Federal Community Children's Service Inc when you enroll your child. Membership of the association enables you to view management records of the service, to participate in decision making and to vote at general meetings.

An honorary Management Committee is elected from families at the Annual General Meeting held in February each year. The Management Committee has the responsibility to control and manage the affairs of the Association. The management committee reviews policy and decisions regarding the strategic direction of the service and works cooperatively with staff, volunteers and parents to ensure the Centre runs effectively. The Management Committee meets once a month and meetings are open to all parents. The agenda is displayed on the parent notice board one week prior to the meeting.

Our Association operates under a set of rules known as the constitution, which are general principles common to all community associations. As the service evolves policies specific to our service are continually being updated and parents are consulted in this process.

As an employer, the Management Committee is responsible for the employment of suitable staff, with the staff holding only 'ex-officio', or non-voting rights at meetings.

A poster is displayed in the foyer with the Committee positions and corresponding names and contact phone numbers to assist new families to immediately familiarize themselves with the Committee.

OUR PHILOSOPHY

At Federal Community Children's Centre, we honour early childhood as the foundation for lifelong learning. Opportunities are provided for each child to grow holistically and to build on strengths, interests, abilities and knowledge.

Our educational program is *The Early Year Learning Framework* which describes childhood as "belonging, being and becoming". To enable children to feel confident to explore and learn we aim to create an educational environment where children feel safe, secure, loved and supported. Helping children develop a sense of belonging, feel accepted and develop positive relationships within the centre environment is our priority. We place a strong emphasis on supporting emotional development ensuring children develop confidence, resilience, a strong sense of self, empathy and respect for all. We endeavour to involve and consult with the children on all aspects of our learning program. Children learn through play and we acknowledge children as active learners within the environment. We promote laughter and playfulness and fun creeps into every aspect of our program. We uphold the values of social justice and equality, respect differences and actively promote the inclusion of children from culturally diverse families and children with additional needs.

We respect educators as an important component of the learning environment. They are valued and respected for the unique qualities they bring to the centre. A team approach is fostered, sharing knowledge, skills and expertise. Open positive communication is the foundation for our strong resourceful team.

We believe the environment is part of the learning process and strive to create safe indoor and outdoor environments that are aesthetically pleasing, provide opportunities for discovery and exploration, stimulate the imagination, and help educate children on sustainability and environmental issues.

We respect that the child's family has the most powerful influence on learning and we endeavour to create positive partnership with families for the benefit of their child. Consultation and regular feedback on their child's learning is promoted. The cultural diversity of each family is valued and celebrated.

We are an integral part of the Federal community and we value the diverse range of people within the wider community. We acknowledge the Original custodians of the area and nurture collaborative relationships with our local Aboriginal community. Aboriginal culture is highly respected and incorporated throughout our program.

THE CHILDREN'S PROGRAM

The service operates with a great deal of flexibility encouraging child-initiated play and learning. We also acknowledge the importance of a simple routine for children and understand that they feel secure when it is stable and predictable. The daily routine forms a basic structure for the day and is:

8.00am	Children arrive, quiet activities on the mat, progressive morning tea, craft activity
8.00-9.15	Progressive morning tea and Indoor activities Outdoor/Indoor planned experiences planned experiences and free play
10.00	Deck time then Group morning tea Small group experiences - Continuation of morning outside activities (or indoor/outdoor)
12.30	pack away then story time Lunch
1pm	Quiet time, resting and relaxation
1.30	transition to school 4-5-year olds. (projects, extensions, nurturing a love for learning.)
2.15	Outdoor play
3.30	Afternoon tea
4pm	Story time inside/ experiences based on children's choices. Quiet focused activities.
4.30	Centre closes.

EDUCATIONAL PROGRAM

The service's program is based on observing children, evaluating their interests, strengths and needs and planning activities to further develop, challenge and strengthen their skills. All play provisions are age appropriate and are carefully planned to suit the developmental needs and interests of the children. We believe children learn through play in a stimulating environment with caring teachers. The program provides a learning environment that encourages children to discover, create, imagine, construct and initiate. An opportunity to develop self help skills, interpersonal skills, problem solving, build self-confidence and esteem are encouraged. We provide a balance of indoor and outdoor, active and passive, individual, small and large group activities that include experiences across the curriculum field such as language, literacy, creative expression, construction, science, maths, drama, music and movement.

The National *Early Years Learning Framework 2010* forms the foundation for the program and teaching practices. Our trained and experienced staff are knowledgeable about early childhood theories and perspectives that best support children's learning and continually enrich their understandings through resource books and professional development training.

The program is displayed on Storypark daily, so feel free to chat to staff for more information about any of the planned experiences. Significant experiences of each day are seen through photos displayed on the laptop which is on the sign in desk each afternoon and in the Storypark Plan. We will be using Storypark which is an app to communicate and plan for individual children.

Your child will have a specific focus educator who will collaborate with you to develop goals and ensure your child individual needs are catered for.

FOCUS CHILDREN

Educators observe and plan for specific children each week. Children's artwork is kept in a learning journal which you are welcome to view at any time. Each child will be guided to develop at an individual pace according to his or her unique learning style.

Educators work in partnerships with families to best provide learning opportunities that will nurture each individual child. You are invited to discuss your child's progress with staff regularly throughout the year, both formally through arranged interviews and informally through day to day interactions. Parents are also invited to participate and contribute to the program, sharing their own interests, skills, resources and ideas in the program via Storypark.

STORYPARK

Please follow this link for more information. [click here](#)

CHILDREN WITH ADDITIONAL NEEDS

We support the inclusion of children with additional needs and actively work with families to ensure their child has developmentally appropriate experiences. We can provide information to parents about services such as speech therapy, early intervention and physiotherapy. If your child is already accessing a health service, we can liaise with them, with parental permission, and implement recommended teaching strategies into the preschool/ centre.

DAILY REQUIREMENTS

Please ensure you supply your child with the following each day:

- ✓ *Morning Tea* - nutritious morning tea in lunch box – this will be kept in the fridge. Ensure that your child is able to open their lunch box on their own and all items are clearly named.
- ✓ *Lunch* – nutritious lunch in lunch box – this will be kept in the fridge. Remember busy children can get very hungry – pack a large serve.
- ✓ *A piece of vegetable and/or fruit* – if you are collecting your child after 3:30. Please place it in the basket provided.
- ✓ *Suitable play clothes*. For **sun protection reasons** please ensure your child wears a t-shirt/dress covering shoulders.
- ✓ A complete **change of clothes** especially underwear.
- ✓ *Back pack* or similar bag large enough to hold all belongings.
- ✓ *A rest-time sheet in the drawstring bag provided by the centre*. The children will take the bag home each day. A small fitted cot sheet or a single bed sheet is suitable. Please no pillows.

The Service supplies:

- ✓ A broad brimmed hat.
- ✓ Sunscreen.
- ✓ Drawstring bag for sheets
- ✓ Preschool shirt

CLOTHING

Please **label** all your child's belongings clearly with his/her name in permanent ink. This greatly reduces lost property and encourages children to look after their own belongings. A lost property basket is near the lockers so please check it if you are looking for lost clothing. All unclaimed clothing will go to charities at the end of each term.

TOYS

The service has a wide range of developmentally appropriate equipment for your child and we would prefer that children leave their toys at home. Individual toys at the service can often cause problems as your child may not wish to share the toy. The toy could also get lost or damaged. Cuddly or security toys for rest-time are welcome but need to be clearly named.

LONG DAY CARE HOURS

The service is licensed to cater for 35 children a day aged 2-5 and is opened from Monday to Friday 48 weeks a year.

Opening hours are 8.00am – 4.30pm. Cost is \$12 to \$90 per day dependent on CCS subsidies. Our service closes 4 weeks over the December and January holiday period.

Please drop your child off at the agreed time and **arrive 5 minutes early when collecting your child**. Parents who are late collecting their child will be charged with a **late fee** of \$1 per minute. (this is due to increased time educators need to remain at the service) and a further \$3 per minute after 4:35pm

ARRIVALS AND DEPARTURES

On arrival please bring your child into the preschool building, help him/her unpack, and let a educator know that you have arrived. In summer please apply sunscreen to your child. We encourage families to follow a routine in the morning to ease the transition for your child. Licensing requires that you sign in on the attendance sheet. In the afternoon please inform educators that you are collecting your child and remember to sign out. We encourage children to wait inside for their parent to enter the building, rather than allowing them to run and greet you. This ensures your child is supervised by the staff and helps to remind you about signing out. Signing your child in/out each day is a *National Law* requirement.

The enrolment form requests that you nominate relatives or friends authorized to collect your child. If a person not on the enrolment form is to collect your child, the educators need to know before 4.30pm. The child will be kept at the centre until they have confirmed permission from you.

PRESCCHOOL HOURS

8:00am to 3:30pm - Preschool operates the same hours and closes for holidays as NSW primary schools. There are no makeup days for Preschool. Extended hours can be booked for a term, otherwise are charged as late fees.

MAKE UP DAYS for Long Day Care Only

Make up days are only available when children are sick and there is space. This is to encourage parents to keep children home when unwell by offering an alternative day within a week of your child's illness. When the centre is fully booked however the opportunity to make up days is not always available. The makeup days need to occur within one week of the planned absence for children in the 3-5-year-old room, and within two weeks for toddlers. It is important that you arrange this by 830 am on the morning the absence occurs or ideally before. Please refer to the Procedure for makeup days for more information in our Children's Attendance policy. We will try to provide a make up day for public holidays however this is not always possible.

CASUAL DAYS

You can book your child in for an extra casual day when places are available.

ABSENT

Please phone the service before 830am if your child will be absent as another child may require the place for a casual or makeup day.

FEES

Upon enrolment families will sign and accept the terms of service provision under the **Fee Payment Agreement Form**.

To ensure you are on the waiting list a \$50 fee is required – when we can offer a space, this will be converted into an enrolment fee, and will be shown as paid.

LONG DAY CARE

The current long day care fees range from \$12 to \$90 for children 2-5 years depending on family income. Please go to the education.gov.au/childcare website to utilize the estimate subsidy your family will be entitled to.

Fees are reduced through the Australian Government Childcare Subsidy paid through Centrelink. Parents are required to contact Centrelink to obtain customer reference numbers (CRN) for the family, a myGov account and to inform them that your child is now attending our service.

Centrelink: Ph: 13 61 50

As of 2018, children who are not immunised are not eligible for enrolment unless they were enrolled in 2017.

PAYING FEES

We use a direct debit system known as idebit Pro to ensure all fees are paid on a regular basis. It is a *compulsory* requirement of our service for all participating families to lodge a direct debit form. Fees will be debited from your bank account fortnightly or weekly for the child care two weeks in advance and a fee invoice with all transactions will be emailed or printed. We encourage you to select a maximum amount that can be deducted per fortnight.

Fee invoice: Please make sure you check the invoices sent fortnightly and read the notes on the last page of the invoice. It is each families responsibility to check their invoices and change direct debit limits if you request extra days to avoid a fee creep.

Our bank details are:

Westpac

Federal Community Childrens Centre Incorporated

BSB: 032-573

Acc: 295105

ENROLMENT FEE

Upon enrolment, an enrolment fee of \$50 will be charged per family to cover administration, accident insurance costs and a school hat. An annual membership fee of \$20 per family will be charged to join our Incorporated Association.

NB: If you do not have a confirmed address, we will add you to the waiting list or alternatively a two week advance fee will be charged to secure your child's position, this is not refundable.

LATE FEE

If you arrive late to collect your child, you will be charged a late fee. The fee charged is \$1 per every minute late and does not attract childcare benefit.

Preschool fees

Preschool fees for 2021 will be as follows

Fee type	Frequency	Amount
Enrolment fee	Once at enrolment	\$50
Association membership fee	Annually	\$20
Administration fee	Each term	\$25
Extended hours fee	For care between 330 to 430pm	\$10 per day paid and booked at the start of each term otherwise it will be charged as late fees.

Fee Type	Conditions	Amount
Subsidised fee A 4 or 5-year-old	Parent or carer must hold a Centrelink- issued Health Care Card or	nil
Subsidised fee B: 4 or 5-year-old	Child must have turned 4 by the 31st July 2019 or be older. No health care card	nil

Payment of fees

Fee accounts are emailed each fortnight. These can be paid in full or as per weekly or fortnightly payment. This is arranged via Debit Success

Please contact Lorraine our Administrator on Monday or Tuesday to discuss your preferences. Fees are not charged for school holidays however fees are charged for Public Holidays and absences.

Make up days are not available due to the limited preschool numbers available each day.

FAMILY PARTICIPATION

As a community based organisation, family participation is essential to provide high quality education and care and affordable fees. **From time to time we will be requesting help with garden maintenance, mending equipment or volunteering your time at the service. Sharing your skills and talents with the children will also benefit the children. Approximately twice a year working bees are organized to assist with the maintenance of the service. We ask that you choose at least two events you can assist us with.**

Federal Community Children's Centre appreciates the involvement of parents in the lives of their children within the preschool environment. Apart from the obvious physical help it extends to staff, there is a benefit far more important and satisfying. Time spent during the preschool day allows families to be actively involved in the service program, share talents and skills with the children, see how their child interacts within the preschool setting, who their friends are etc as well as build relationships with staff and other parents.

COMMUNICATION/ INFORMATION FOR FAMILIES

The Service aims to keep you informed about your child, the service news and what's happening in the community. We also value regular communication and feedback to ensure that we meet your child's needs. We require all families to check their emails for updates, the weekly Directors update and fee invoices. Hotmail emails do not receive our emails so you may need to provide us with an alternative. In 2021 we will be trialing Storypark which is an online app. Please follow this link for more information : [click here](#)

- **Notice boards** – above sign in desk and at the entrance near the 3-5-year-old lockers.
- **Newsletters** – are distributed once a month and are emailed and available in your child's communication pocket.
- **Program Display** – On Storypark. This provides families with information about the learning experiences planned for the children throughout the week and an evaluation daily.
- **Parent Library** – located at the foyer, provides a range of books, magazines and resources for families to borrow.
- **Email** – Fee invoices are emailed every fortnight and Directors updates weekly.
- **Community Notices:** are also available in the entrance area and on Storypark.
- **Daily chats** – Please take the time to chat with the educators about your child's day. We do have to limit it to 5 minutes during busy times unless it is prearranged. Taking the time to let us know anything important of what you would like us to know early morning and in the afternoon is helpful in our commitment to meeting each child's needs. These times can get busy, so we highly encourage families that would like to have more time to talk to make an appointment.
- **Appointments** – feel free to make an appointment with the Director or an educator to discuss any concerns or general information about your child's developmental progress. These can be made to fit in with your work or family commitments. We highly recommend these
- **Program Feedback Forms** – Every two months we review a Quality Area in the National Quality Standards to ensure we are continually improving and exceeding the National Quality Standards. The surveys are available in the Parent Library and we encourage families to click on the links in the newsletter to see what policies and quality improvement areas we are working on. We invite your feedback and value our policies and Quality Improvement plan as living documents.

POLICY INFORMATION

Service policies provide a framework and guidance for parents, staff, educators, visitors and management to ensure decisions are consistent with the philosophy of the service and comply with regulations. Policies allow families to understand the practice within the service environment. Policies cover many important issues and we encourage families to read and familiarize themselves with them. Our policies are available in the Parent Library.

Some of our important policies include:

- Arrival and Departure of Children
- Children's attendance changes
- Service Philosophy
- Wellness Policy
- Fee Payment & Arrears
- Guiding Children's Behaviour
- Privacy & Confidentiality
- Provision of Programming
- Complaints Handling
- Roles of Management Committee
- Supervision

- Medical conditions
- Child Protection
- Safe food handling
- Hygiene and Infectious Diseases
- Nutrition
- Workplace Health & Safety Policy
- Child Orientation
- Sun Protection Policy
- First Aid
- Quiet time/safe sleep and Rest

Some important items to remember from some of our policies:

IMMUNISATION

Prior to enrolling in child care proof of a child's vaccination status must be provided. This means that child care centre's must have documented evidence that children are up to date with their vaccinations, or that they are on a recognized catch-up schedule, or that they have a medical contraindication to vaccination, or their parents have a conscientious objection to vaccination, before enrolling a child.

SICK CHILDREN

Children with infectious diseases such as conjunctivitis, chicken pox, school sores (impetigo), measles, German measles and diarrhea must not attend preschool. Check with your local GP if you are unsure whether your child is infectious. If your child or their sibling does contract an infectious disease, please phone the service as soon as possible. All families will then be informed by a health alert notice. To ensure your child recovers quickly please do not bring your child to preschool when sick. Having sick children at preschool usually prolongs your child's illness and puts other children and staff at risk of infection. Young children in care can be vulnerable to infectious diseases.

We encourage parents to keep children at home when they display the following signs of illness:

Fever, high temperature, vomiting, diarrhea, persistent or prolonged coughing, unusual spots or rashes, mucous discharge that is continual or difficult to manage, unusual behavior: tired, lethargy, crying more than normal, displays discomfort, generally unwell.

COVID 19

We require all families to sanitize prior to entering the centre and will take visitor and children's temperatures on arrival. Sign in is located outside to limit the people entering the indoor area.

MEDICATION PROCEDURES

If your child requires medication, please fill out a "medication authority" form and hand this form and the medicine to a staff member. To be administered the medicine must have the child's name and dosage written on the label. The medicine will be kept in a locked first aid kit in the kitchen.

ACCIDENTS

Unfortunately, accidents do happen. All educators hold a current first aid certificate and if a child requires first aid, s/he will complete an accident form and give you a copy. Be assured that if your child does incur an injury requiring medical attention you will be contacted without delay. If a child receives an injury to their head, you will be contacted. In the case of an emergency an ambulance will be called, and the cost of the ambulance will be invoiced to that family.

LUNCH AND MORNING TEA

Children will be encouraged to develop nutritious eating habits in line with the healthy eating environment that is promoted by the service.

Please don't send in sweets, chocolate, chips, cakes, juice and sugary drinks.

Any uneaten food will be placed back in your child's lunch box, so you can see what has been eaten.

We encourage water for drinking. If you would like your child to bring in their own water bottle, please label this and make sure it is taken home each day.

Lunch box ideas:

We have lots of lunch box ideas available in our parent library.

A great resource website to look at is:

<http://www.healthykids.nsw.gov.au/recipes.aspx?category=lunchsalads>

Please select foods that have had minimal processing, and are low in fat, sugar and preservatives: for example, a fresh apple is preferable to a fruit roll up. For both health and environmental reasons, try to limit packaged foods such as muesli bars, dippers and fruit flavoured sticks.

Pack a variety of foods and even if children have their favourites it is useful to encourage new and different food experiences.

Some Ideas...

Fruit:

- cut into pieces, dried fruit, seeds and /or nuts.

Vegetables:

- raw celery, cucumber and carrot sticks, with cream cheese, humus and /or salsa
- roasted vegetables or salad.

Bread and cereal foods:

- Fruit bread, muffins, bagels, wholemeal scones and pancakes, rice cakes, bread wraps, rolls and/ or sandwiches. There are many other alternatives to sandwiches and rolls: falafel, lentils and beans pasta boiled eggs cold chicken or meat pizza, fried rice or sushi Baked beans Baked vegetable slices or quiche.

We can heat food in the microwave or in the sandwich toaster. Please add your child's name to the white board in the morning if you have food that requires heating.

BIRTHDAY PARTIES

We love to celebrate birthdays. During the week of your child's birthday he or she may like to bring their own cupcake so we can sing happy birthday to them.

HANDLING CONCERNS

Feedback, both positive and negative, is necessary for the continued improvement of our service to the community. We aim to create an atmosphere where feedback about our service is welcomed and encouraged. If you have any concerns or queries please bring these to the attention of the Director or staff member, so positive steps can be made to improve the quality of our service. Alternatively, a letter can be placed in the Communication box on the sign in desk with a concern. All concerns will be handled confidentially. The service also provides regular opportunities through surveys and quick feedback forms to gather feedback from families throughout the year.

PRIVACY

Federal Community Children's Centre requires certain information to be collected in accordance with the regulatory framework of operating a children's service. Protecting the privacy of personal and sensitive information collected by our service and the need for confidentiality is fundamental in providing a quality child care and educational service. Confidentiality ensures that information is exchanged carefully in the best interests of children, families, staff and the service, in a way that respects the privacy rights of individuals, enhances the spirit of trust and integrity and supports the harmonious operation of the service. All staff, Management Committee members and parents must respect the privacy of others and follow confidentiality guidelines. All confidential documents are stored in locked cabinets.

GUIDING CHILDREN'S BEHAVIOUR

Our focus is on supporting children in their development of empathy, respect, self-regulation, social skills, sense of wellbeing, confidence and emotional literacy.

Below are ways we do this:

- Provide a detailed learning program to support children's awareness of what various feelings and how to express them.
- Values such as self respect and respect for others, safety for selves and others, and care of the environment are role modeled and encouraged.
- Children are involved in establishing play and safety limits in the service
- Discussing the appropriate uses of materials and equipment.
- Defining limits in terms of a 'positive' instead of a 'negative'
- Acknowledging positive behaviour.
- Discussing inappropriate or unacceptable behaviour and seeking options.
- Children are encouraged to settle disputes by being supported to talk about how they feel, to listen to others and solve problems together.
- Offering choices and encouraging decision making.
- Setting realistic expectations which are age and developmentally appropriate.
- Being sensitive to the child as a whole, bearing in mind that many factors influence behaviour.
- Setting up an environment to minimize behaviour challenges, by offering appropriate activities, space and supervision.

EMERGENCY EVACUATIONS

To assist children to learn emergency evacuation procedures, the educators and children practice leaving the premises and congregating near the car park every 3 months. Children are advised to respond quickly to the sound of a whistle, and they proceed through the side gate if outdoors or through the toddler room if indoors. At the car park they answer their name to a roll call and discuss the purpose of emergency procedures. All children attending in one nominated week (every 3 months) participate in this procedure.

Car park safety

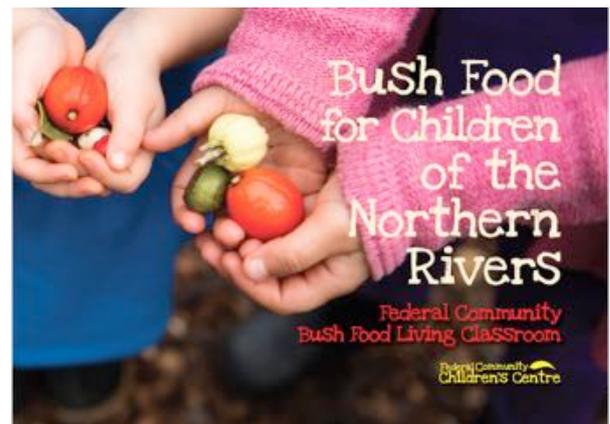

To ensure that all children are safe in the car park area we ask parents to hold their child's hand to and from the car into the Centre.

Thank you for taking the time to read our booklet. If you have any further questions, please don't hesitate to ask us.

Bush Food Living Classroom

In 2014 we created a Bush Tucker Living Classroom on the land behind the Preschool. The garden has 35 species of local bush food and is living proof of our commitment to sustainable practices, nurturing children's love and appreciation of nature and working in collaboration with local Aboriginal people. We have a booklet available to purchase for \$20. We are keen to have more people involved and open to any ideas or suggestions.

Federal Community Children's Centre
2021 CALENDAR OF EVENTS

January

19th Orientation for new families
20th January Long day care children return
27th January preschool children return

February

Every Thursday and Friday at 4pm weekly. Informal family social gathering in the park.
Annual General Meeting

March

Wednesday 17th March 530-630 Celebrating our Cultural Dinner Diversity dinner

April

Film night catering 10th April

June

Parenting workshop

July

December

End of year celebration

Toddler enrolment

Welcome to our toddler room. As a family enrolling your child into the toddler room there is additional information you need to know.

A child starting in the toddler room will be enrolled into the long day care program as preschool subsidies are not available for 2-year olds. This means your child is entitled to attend the service 48 weeks a year from 8am to 4.30pm.

DAILY REQUIREMENTS –

Please ensure you supply your child with the following each day: All belongings need to be clearly marked with your child's name:

- ✓ **Morning Tea** - nutritious morning tea in lunch box – this will be kept in the fridge.
Please Note: We discourage the use of plastic wrap for environmental reasons.
- ✓ **Lunch** – nutritious lunch in lunch box – this will be kept in the fridge. Remember busy children can get very hungry – pack a large serve.
- ✓ **A piece of fruit or vegetable for afternoon tea.** Please place it on the basket provided.
- ✓ **Suitable play clothes.** For **sun protection reasons** please ensure your child wears a t-shirt/dress **covering shoulders.**
- ✓ A complete **change of clothes** especially underwear. 3-4 changes of clothing if your child is toilet training.
- ✓ **Back pack** or similar bag large enough to hold all belongings.
- ✓ **A rest-time sheet** in the drawstring bag provided by the centre. The children will take the bag home each day. A small fitted cot sheet or a single bed sheet is suitable. Please no pillows.
- ✓ **5-6 nappies** per day
- ✓ Nappy rash creams (if required)
- ✓ Comforters for rest time i.e. small blanket or soft toy
- ✓ In summer – insect repellent and sunscreen

Routine:

8am	start indoors
8-9am	Progressive morning tea
8-9	Indoor activities in the preschool room
9.15am	Join preschoolers for group time then outdoor/ indoor play
10am	Group morning tea
10.15am	Free play and planned activities outdoors/indoors
11am	Group time on the deck
11.15	Indoor planned experiences
12.00	Group time then Lunch Rest/quiet time
2pm	Join preschooler outdoors for planned activities
3pm	group games/ free play
3.30	Afternoon tea
4pm	Toddler educator goes home. Children move indoors with 3-5-year olds for quiet group activities
4.30pm	Centre closes

Illness	Exclusion Period
Fever/ high temperature 38 degrees or above	24 hours without a temperature. If your child has had Panadol within the last 12 hours. As stated by NSW Government Covid 19 testing will be encouraged and a negative result must be provided before returning
Conjunctivitis	Excluded until discharge has stopped and a full course of treatment is completed
Viral/bacterial upper respiratory infection Runny noses (continual and difficult to manage)	Until child or adult's mucus has cleared and child is well enough to actively engage in play. As stated by NSW Government covid 19 testing will be encouraged and a negative result must be provided before returning if any of your family has been in a known hotspot.
Diarrhea	24 hours after last loose bowel motion
Persistent Cough	Until they are no longer coughing and/or have clearance from a doctor. As stated by NSW Government covid 19 testing will be encouraged and a negative result must be provided before returning if any of your family has been in a known hotspot.
Vomiting	24 hours after the last vomit
Head lice	Until all headlice have been removed
Contagious illnesses listed in the Staying healthy in Childcare	As stated in the Staying Healthy In childcare guidelines https://www.nhmrc.gov.au/guidelines-publications/ch55

Refer to Covid 19 Risk Management Plan and Action Plan. Sept 2020.

Link for when to get tested for Covid 19:

<https://www.nsw.gov.au/covid-19/symptoms-and-testing#getting-tested>

Please keep in mind you only need to have ONE symptom to get tested, and it can be mild. If you have a symptom, don't delay. Get tested and self-isolate straight away.

NB: If your child has had Panadol in the last 24 hours they need to stay at home.

What to do if you have concerns about your child's development
